Did you install 2 AA (or LR6) batteries in the motor?
IMPORTANT: Attach all the chain links in the same direction.
If the motor is not working properly:

- Check to see if you have fresh batteries and that they are installed correctly.
- If it is still not working, call our Consumer Hotline at 1-800-KID-KNEX (USA and Canada only). See the back cover of the instruction book for other ways to contact K’NEX.

Tip: Make sure the indents of the outside of the chain sit in the grooves of the red gear.
