# Racer

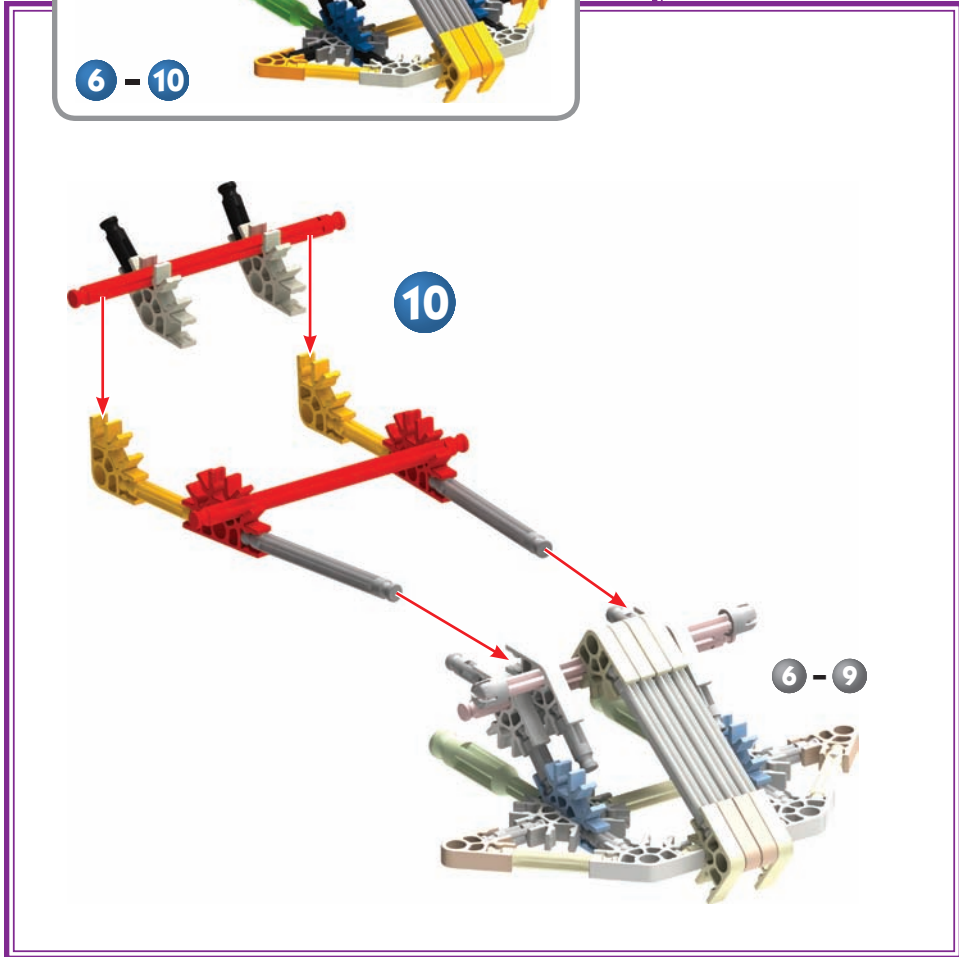

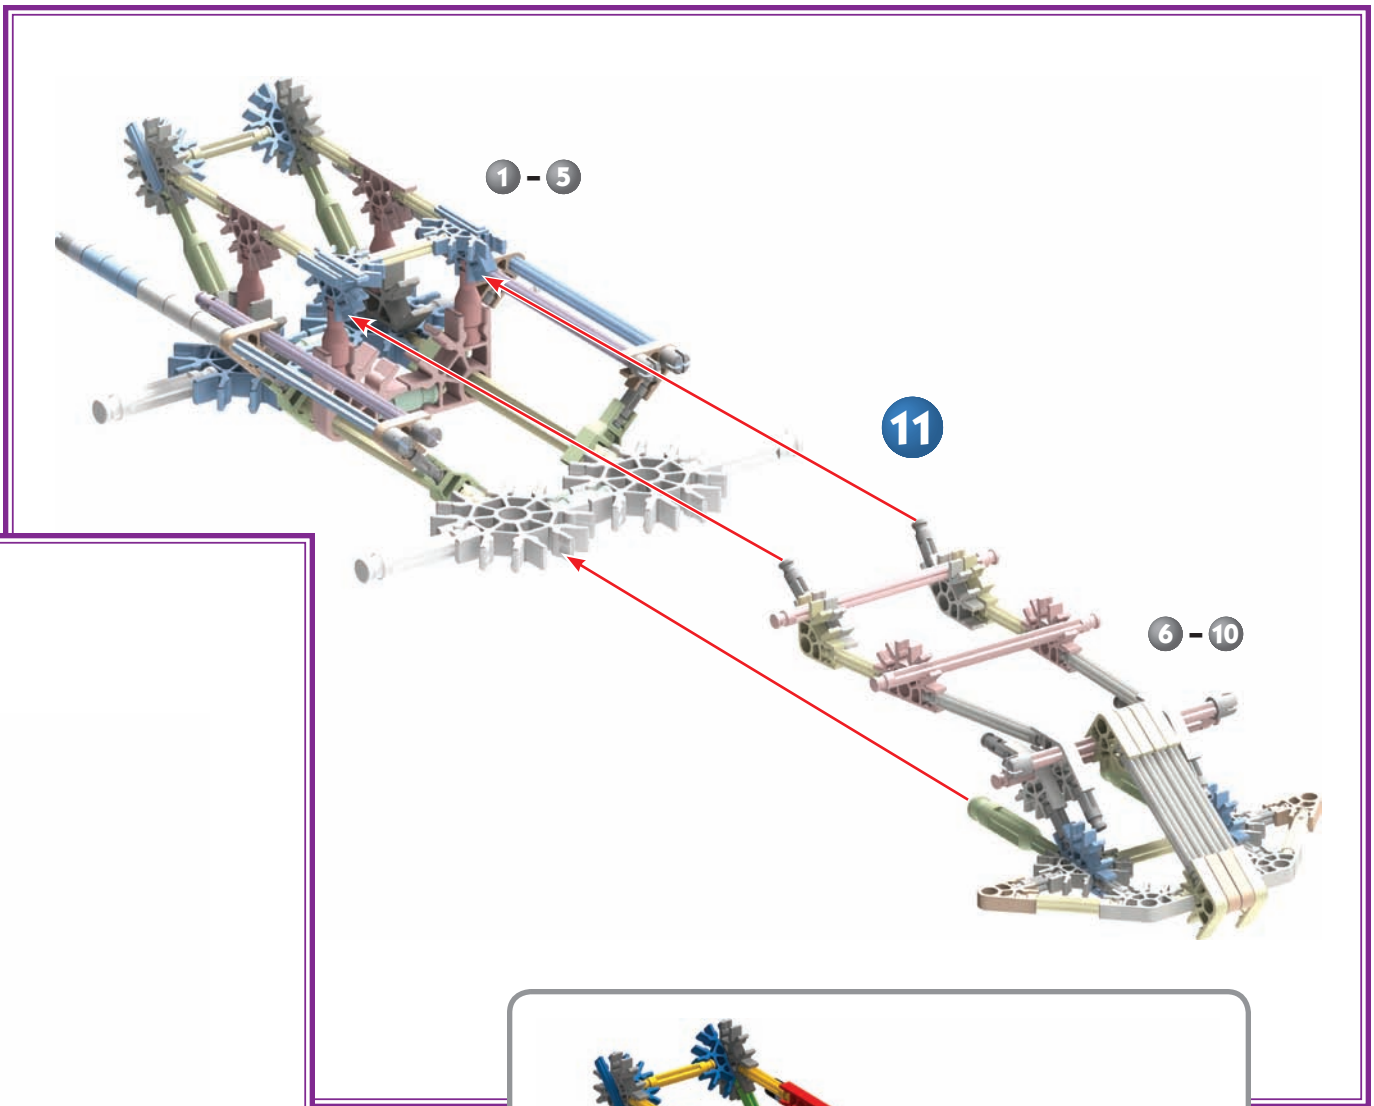

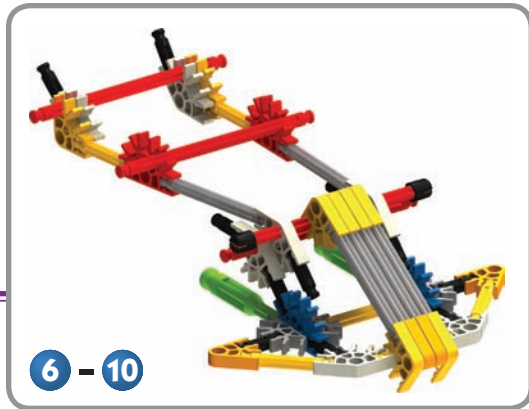

A detailed LEGO Technic model of a car, labeled 'Racer'. The car has a yellow and blue body, black wheels, and a complex gear system. It is shown from a side profile, facing left. The car is built using various LEGO Technic parts, including beams, pins, and gears. The wheels are black with white hubs. The car has a yellow front end and a blue rear end. The gear system is visible on the side, showing a series of interlocking gears. The car is shown on a white background.
