# Building Basics

## Bases de la construction

### Start Building

Look at the pictures, find the pieces in your set that match and then connect them together. Try to face your model in the same direction as the instructions while you build. The arrows show you where the parts connect, but not all connection points have arrows. Faded colors show you this section is already built.

### Démarre ta Construction

Chaque pièce a sa propre forme et sa propre couleur. Regarde les illustrations, trouve les pièces qui y correspondent et les assemble-les. Pour te faciliter la tâche, oriente le modèle dans le même sens que les instructions. Les flèches indiquent où les pièces s'assemblent, mais les points de raccordement n'ont pas tous des flèches. Les pièces ayant une couleur estompée sont celles déjà assemblées.

### Connectors

Push these special connectors together tightly until you hear a "click".

### Connectors

Tu peux assembler ces connecteurs spéciaux en les faisant glisser l'un dans l'autre. Pousse fort jusqu'à entendre un « clic ».

### Spacers

Be sure to use the correct color and number of spacers shown.

### Séparateurs

Assure-toi d'utiliser la bonne nombre de séparateurs, comme indiqué.
