

(Please kindly fill out the top portion of this form completely or we are unable to process.)

Customer Care is our top priority!

Thank you for contacting Knex about your missing or broken part.

We are happy to help you with this but please note that our policies have recently changed.

Instead of sending 1 individual part, we will send a bag of commonly used multiple parts. (Enjoy the extra pieces you receive!)

We request that you please select the part you need from the lists below in the **highlighted column**.

Please be thorough as this is a one-time only shipment of replacement parts.

If your part is not on the list below, unfortunately we no can no longer replace that part.

Please exchange your set for a completely new one at the point of purchase or locate thru a reseller on Ebay, Etsy or Amazon.

To best serve your request, please fill out **all highlighted areas** below & resend back to us for review. (Please do not change the form in anyway.)
